Strawberry, CA. 95375**

.....
So take a break from work, pack up the kids and come **play** in the snow with us!
.....

At 6300 feet, this beautiful & natural setting is another world away. It is remarkably accessible though. Located in Tuolumne County, in the heart of Gold Country, Leland High Sierra is 39 miles east of Sonora on Highway 108, 3 hours from the San Francisco Bay Area and 2 hours from most Central Valley cities. We are your closest snow to home.
